*"The best kind of sleep under heaven above,
is under a blanket handmade with Love."*

Some of the most touching moments are when we give your "Handmade with Love" blankets directly to individual children or families.
If you know of a child in need of a Project Linus blanket, please contact us.

Updated MAY 2026

What is Project Linus?

Project Linus began in 1995 after Karen Loucks was inspired to make blankets for her local children's cancer center. Since then, Project Linus has expanded to include children who are seriously ill or traumatized.

Greater Boston Chapter

The Greater Boston Chapter is in need of new handmade blankets to donate to children at local area hospitals and to other children in need of comfort.

Please contact Nancy or Dianne for more information on drop-off locations or with any other Project Linus questions.

Although most of the blankets donated to the Greater Boston Chapter stay with local children, sometimes we do send blankets to other chapters. For example, we have sent blankets to victims of natural disasters such as floods / fires.

Donated Blanket Totals

Nationally since 1995 -
Over 9 million Blankets

Greater Boston Chapter

Over 100,000 blankets donated since the chapter started in 2001!

A Warm & Grateful THANK YOU to ALL Project Linus "Blanketeers"!

Your handmade blankets bring love & comfort to SO many children in need!

40" x 60" (child)
45" x 70" (teen)
66" x 90" (twin bed)

Blanket Guidelines

*Before Beginning, DO CUT OFF Fleece SELVAGES (white border edges with lettering)

DO MAKE Fleece blanket with ONLY (1) SINGLE LAYER OF FABRIC

DO KNOT each INDIVIDUAL fleece fringe loosely so the blanket can LIE FLAT.

DO Make blankets from NEW, CLEAN, WASHABLE materials in infant, child or teen friendly colors. Remember, these blankets are meant to be colorful, and cheerful.

DO Crochet, knit, quilt, or tie your blankets.

DO Make blankets from 100% cotton fabric, flannel, polar fleece or acrylic yarn. (No Wool)

DO Make SURE your blankets are clean. We cannot accept blankets with pet hair or the smell of smoke or perfume on them.

DO Secure the batting into outer seams. If blanket is tied, please anchor it every 4-6 inches, so it doesn't fall apart when washed.

DO Weave in all yarn ends on crocheted and knitted blankets.

DO Check blanket carefully for straight pins! It's better you find that pin and not the child who receives your blanket.

DO Let us know your contact information so we can thank you. Please include a note when delivering a blanket. Simply include a note in the bag you drop-off.

DO NOT Attach Buttons or similar decorative items to a blanket. They can be a choking hazard to children.

DO Construct blanket so it LIES FLAT.
